

2022 Fiver Annual Report

A message from our Executive Director

Dear Friends,

Last year, our organization accomplished several firsts, and their impacts are moving the needle for our Fiver youth and families. These include:

- For the first time in our organization's history, two alumni of our program are members of our Board of Directors, one of who is also part of the executive committee. Gabriela Berroa '11 and Jonathan Jean-Pierre '11 are leading the way for future alumni, and we are so grateful to them both for paying it forward in this way.
- Thanks to a grant from longtime funder, The Edith Glick Shoolman Children's Foundation, we have seeded Fiver's endowment fund. This significant gift will ensure Mrs. Edith Glick Shoolman's legacy of positive impact on the lives of children and Fiver's future will remain strong for years to come.
- We completed 5 major capital projects in time for youth to return to camp. These investments in our camp property will ensure that our Fivers' "home-away-from-home" will continue to provide the safe, nurturing, and fun environment they know and love well into the future.

These accomplishments are a reflection of your unwavering support of our mission. None of these milestones would be possible without you, our incredible community of donors. Whether you volunteered at one of our programs, donated in-kind items or purchased tickets to our special events, supported one of our annual campaigns, or answered the call in several other ways, your resources of time, talent, and treasure are making a difference in the lives of the families we serve. Thank you for all you do to help youth create their own positive futures.

Sincerely,

Christie Ko
Executive Director

About Fiver

HISTORY

Fiver takes its name from Richard Adam's celebrated work of fiction *Watership Down*. The novel focuses on the survival, leadership, and courage of a group of rabbits, led by the visionary rabbit Fiver, who set out to find a better way of life. Inspired by this story, Founder and Chairman of the Board, Tom Tucker, established the Foundation in 1998 and opened doors to kids in 2000. What began as a summer camp has evolved into a comprehensive, award-winning, youth development organization.

MISSION

Through our one-of-a-kind ten-year commitment, Fiver provides experiences that challenge and builds relationships that nurture so that youth from systemically under-resourced communities in New York can create their own positive futures.

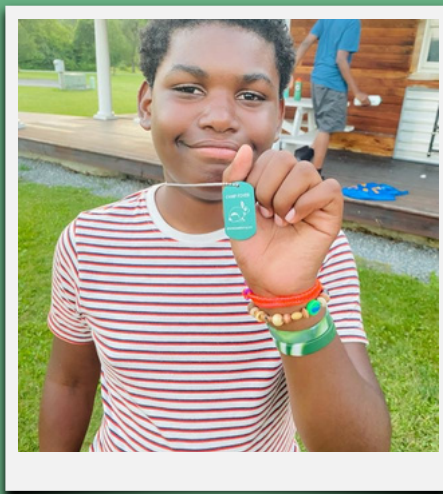

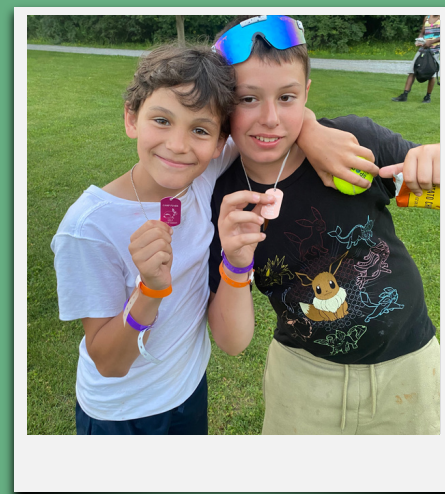

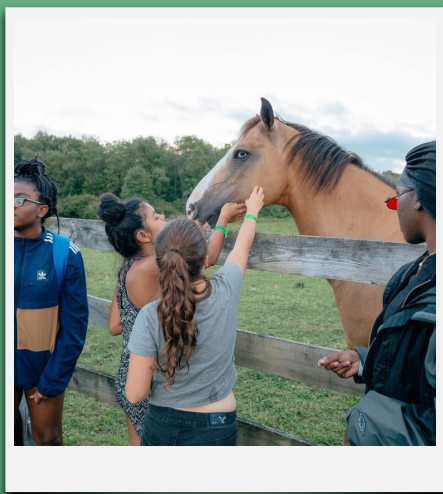

The year *2022* *in review*

We returned to Camp Fiver in our traditional two-week format! Fiver's favorite trips like low-ropes and high-ropes courses, wilderness and canoe trips, and college tours were all reinstated this summer. We welcomed 365 Fivers to their home-away-from-home in Poolville, New York.

Fivers participated in horseback riding, swimming lessons, and canoeing and kayaking on the lake. Sixty-five teens participated in the wilderness hiking and camping trips through the Catskill Mountains and 46 campers took part in the seven-mile canoe trip along the Moose River. More than 150 middle and high school Fivers went on college trips throughout upstate New York.

The new SERVE Cabin opened, providing high school juniors and seniors with a quiet space away from camp activities to focus on their college and career goals. In the Hazel unit, we converted the final sleeping tent into a cabin named Blackberry for teen girls. Additionally, we built a lean-to, "T's Retreat", for campouts in the woods. And finally, we added a new freezer at camp for extra food storage.

2022 in review

Job Training Highlights

Our summer Job Training program returned in a hybrid format serving 43 teens. Through this paid opportunity, youth learned about careers, participated in mock interviews, and developed resumes and cover letters. We are grateful to our generous corporate partners— RBC, DoSomething.org, Northwell Health, Global Holdings, and Paramount— that hosted virtual and in-person experiences for our teens.

Grant received to seed Fiver's Endowment

Fiver was awarded \$700,000 by longtime funder, The Edith Glick Shoolman Children's Foundation to seed Fiver's endowment, an organization first. The gift was split between the endowment (\$500,000) and general operations (\$100,000 for the next two years), ensuring that Mrs. Shoolman's legacy of supporting children will continue for years to come.

2022 Graduating Class Highlights

100% of eligible Fiver graduates graduated high school and 88% enrolled in college to schools like University of Pennsylvania, Ithaca College, Cornell University, The American University of Paris, Haverford College and many competitive SUNY and CUNY schools.

Virtual Benefit

Fiver's Virtual Annual Benefit raised more than \$800,000 to support our year-round and summer programs! Fiver recognized camp legend Laurence "Larry G" Geller with the Thomas and Heather Tucker Visionary Award, and Michael Baker, Michèle Lallemand Brazil and Joseph Brazil, and The Moran Family with The Richard Adams Leadership Award. The following day, we hosted an in-person cocktail event to continue the celebration!

Newest Board Member Class includes two Fiver Alumni

Fiver welcomed Michael Gorelick, Gabriela Berroa '11, and Johnathan Jean-Pierre '11 to Fiver's Board of Directors.

Michael grew up going to overnight summer camps throughout his childhood, so joining the Fiver community had a lot of personal alignment for him. "I know what a positive influence camp experiences had on my confidence and independence," Michael says. When asked what excites him about Fiver's mission, he explained that it's Fiver's program structure—over the course of ten years— that draws him in. "I am inspired by the thoughtful and creative ways in which Fiver executes its mission. There are many organizations that strive to support children from under-resourced communities, but Fiver is really structured to do this successfully," Michael explained.

Our other two new board members are no strangers to Fiver, as they are both alumni of the program! Gabriela (Gaby) '11 highlighted the importance of giving back to the organization in this capacity as an alumna of the program: "I want to give back to the organization that gave me so much, and continues to give me support and resources! I would like to see the organization continue to grow and continue to offer kids a sanctuary and a team of supporters."

When asked about his goals while serving on the board, Jonathan explains, "I hope to expand our fundraising efforts through corporate partnerships, doubling down on our college access programs, and building closer integration points between our Alumni Board and Fiver board. I see myself getting involved in the following strategic planning process, helping Fiver build a best-in-class employee experience, and mentoring the next generation of Fiver alum to assume a Fiver board position."
