

FIVER ALUMNI NEWSLETTER

Fiver Alumni Reunion 2019

Our FIRST EVER alumni reunion was attended by over 100 members of our alumni community! The weekend was filled with games, team building events, reminiscing on past memories and creating new ones with our Fiver family. We look forward to your active participation in helping to shape the future of Fiver alumni network. Stay connected as we will be hosting more creative and engaging events that will continue to expand our Fiver community. Thank you to all who attended and completed the survey. Your input is valuable to us.
